The Canadian Veterinary Journal
Volume 32
January to December, 1991

Subject index

Anesthesia
Influence of oxygen flows during anesthetic management, 752
Injectable anesthetic agents for cats, 314

Anésthesie
Anésthesie, 314, 752

Animal behavior
Separation anxiety, dogs, 618

Animal rights
Our philosophy concerning animal rights, 453

Animal welfare
Guidelines for euthanasia of domestic animals by firearms, 724
Our contributions to animal welfare, 135

Anomalies
Congenital coloboma in a llama, 432
Congenital hypothyroidism in foals in Alberta, 751
Congenital tricuspid valve dysplasia in a dog, 503
Patent ductus arteriosus in a Holstein calf: A two-dimensional and Doppler echocardiographic study of the ductus arteriosus and validation, 303

Antifungal agent
Enilconazole as an adjunct to the treatment of four cases of canine nasal aspergillosis, 110

Antimicrobials
Efficacy of parenteral antibiotics for disease prophylaxis in feedlot calves, 163, 302

Avian species
Diazinon toxicity, Canada geese, 627
"Hepatitis-splenomegaly" syndrome, hens, 500
Histomoniasis, rhea, 244
Lead poisoning, bald eagles, 108
Lead shot, waterfowl, 67
Salinomycin toxicity, turkeys, 117

Biologicals
Biologics Evaluation Laboratory update, 541

Blood
Acute lymphocytic leukemia and pseudohyperkalemia in a Jacob ram, 498
Acute pancreatitis and bone marrow suppression in a dog given azathioprine, 496
Myelofibrosis: Review of clinical and pathological features in fourteen dogs, 357
Restrictive cardiomyopathy in a cat with hypereosinophilic syndrome, 367

Book reviews
Canine and Feline Dermatology, 542
Deadly Allies. Canada's Secret War 1937–1947, 366
Fundamentals of Veterinary Ophthalmology, 263
Infectious Diseases of the Dog and Cat, 492
Poultry Diseases, 3rd edition, 691
Reproductive Pathology of Domestic Animals, 426
Small Animal Medicine, 741
Veterinary Medicine, 7th edition, 120
Viral Infections of Ruminants, 566

Border disease
Border disease, 248, 501, 678, 750

Burns
Management of chemical burns of the canine cornea, 608

Camelids
Congenital coloboma in a llama, 432

Canadian Veterinary Medical Association
A look at the Pet Food Certification Committee, 330
Council meets to chart progress, 278
CVMA 1991" The who, what, where, when and whys, 9
CVMA Past-President reviews structure, 14
July meetings check progress to date, 529
Students of the CVMA build for the future, 143
The CVMA Humane Practices/Animal Welfare Committee: A review and steps forward, 273

Cardiovascular system
Congenital tricuspid valve dysplasia, dog, 503
Haemophilus somnus myocarditis versus thrombotic meningoencephalitis in western Canada, 439
Idiopathic thrombocytopenia purpura in a Holstein bull, 559
Patent ductus arteriosus in a Holstein calf: A two-dimensional and Doppler echocardiographic study of the ductus arteriosus and validation, 303
Restrictive cardiomyopathy in a cat with hypereosinophilic syndrome, 367

Cats
Corneal sequestration, 755
Diffuse iris melanoma with filtration angle involvement and secondary glaucoma, 440
Hyperadrenocorticism, 326
Injectable anesthetic agents, 314
Internal fixation versus Thomas splint, ethics, 138
Isolation of *Staphylococcus felis* from cases of external otitis, 312
Partial intestinal obstruction for one month due to a linear foreign body, 689
Restrictive cardiomyopathy with hypereosinophilic syndrome, 367
Suspected ivermectin toxicity in kittens, 245
Uterine torsion, 479

Cattle
A benefit cost analysis of dry-cow mastitis therapy, 347
A case control study of *Nocardia* mastitis in Nova Scotia dairy herds, 673
Accuracy of rectal palpation and of a rapid progesterone immunoassay for determining the presence of functional corpus luteum in subestrous dairy cows, 286
Ameloblastic odontoma, 365
An investigation of risk factors for nocardial mastitis in central Alberta dairy herds, 227
"Benchmark" — A large observational study of Ontario beef breeding herds: Study design and collection of data, 407
Canada Health Accredited Herd — Enzootic Bovine Leukosis, 480
Clinical management of bovine respiratory disease, 215
Colonic intussusception, 493

La Revue vétérinaire canadienne
Volume 32
janvier à décembre 1991

Index des sujets

Comparative serological response in calves to eight commercial vaccines against infectious bovine rhinotracheitis, parainfluenza 3, bovine respiratory syncytial and bovine viral diarrhea viruses, 727
Effect of prepartum parenteral supplementation with selenium/vitamin E on plasma selenium and productivity, 113
Efficacy of parenteral antibiotics for disease prophylaxis, 163, 302
Embryo-mediated pregnancy failure, 99
Follicular dynamics and superovulation, 91
Haemophilus somnus and reproductive disease, 595
Haemophilus somnus myocarditis versus thrombotic meningoencephalitis in western Canada, 439
Hormone with tetracycline injected into veal calves, ethics, 202
Idiopathic thrombocytopenic purpura, 559
Measures of herd health and productivity in Ontario cow-calf herds, 413
Meconium aspiration syndrome, 43
Monitoring reproductive performance of small dairy herds in veterinary practice, 551
Multiple organophosphate poisoning, 626
Ocular squamous cell carcinoma, ethics, 4
Patent ductus arteriosus, 303
Persistent shedding of *Salmonella enteriditis* from the udder, 738
Production of multiple genetically identical farm animals by nuclear transplantation, 94
Serological studies of infectious bovine rhinotracheitis, parainfluenza 3, bovine viral diarrhea, and bovine respiratory syncytial viruses in calves following entry to a bull test station, 427
Suppurative orchitis associated with *Haemophilus somnus*, 567
Tail-tip necrosis, 23
The control of infectious diseases of the respiratory and digestive tracts, 85
The relative economics of feeding open, aborted, and pregnant feedlot heifers, 613
The role of management and the use of vaccines in the control of acute undifferentiated diarrhea, 155
Toxicosis caused by ammoniated hay, 180
Update on *Nocardia* sp. mastitis, 116
Vitamin C in the prevention of neonatal diarrhea, 184

Cervids
A brief review of infectious and parasitic diseases of wapiti, with emphasis on western Canada and the northwestern United States, 471
Further information of diseases of wapiti, 711
Isolates of *Brucella suis* biovar 4 from animals and humans in Canada, 1982–1990, 686

Clinical biochemistry
Analyte comparisons on the Coulter Dacos and Kodak Ektachem DT-60 clinical chemistry analyzers, 30, 243
Comparison of serum osteocalcin concentration and alkaline phosphatase activity as indicators of bone activity in a foal after surgery, 239
Contribution of delta bilirubin to the interpretation of hyperbilirubinemia in the horse, 169
Metabolic acidosis without dehydration in seven goat kids, 308

Clinical pathology
Myelofibrosis: Review of clinical and pathological features in fourteen dogs, 357

Dermatology
Isolation of *Staphylococcus felis* from cases of external otitis in cats, 312
Symmetrical truncal alopecia in rats, 180

Diagnostic ophthalmology
Corneal sequestration, cat, 755
Diffuse iris melanoma with filtration angle involvement and secondary glaucoma, cat, 440
Diffuse photoreceptor and outer nuclear layer retinal atrophy, goat, 569
Limbal melanoma, dog, 251
Phacoclastic uveitis, rabbit, 372

Déontologie vétérinaire
L'utilisation d'un chien pour des combats, 456
La réduction interne versus les attelles Thômas, chat, 138
La vente des vaches qui répandent le virus de la diarrhée virale, 268
Un élevage de qualité inférieure, moutons, 68
Un épithéliome spinocellulaire de l'oeil, 4
Un implant hormonal mélange avec de la tetracycline injectée aux veaux de boucherie, 202
Une luxation du boulet d'un pur-sang, 714
Une truie qui a une patte cassée et qui doit cochonner la semaine prochaine, 584

Digestive system
Acute hepatic failure (Theiler's disease), horse, 262
Acute idiopathic enterocolitis, horses, 232
Acute pancreatitis and bone marrow suppression in a dog given azathioprine, 496
Colonic intussusception in a Holstein calf, 493
Cryptosporidiosis enteritis, piglet, 181
Cryptosporidiosis, rotaviral, and combined cryptosporidial and rotaviral infections in goat kids, 626
Fatal hemorrhage associated with incarceration of small intestine by the epiploic foramen of Winslow, horse, 434
Hepatic disease in Alberta horses: A retrospective study of 'alsike clover poisoning' (1973–1988), 602
Infectious diseases, cattle, 85
Partial gastrointestinal obstruction for one month due to a linear foreign body in a cat, 689
